The single error here is generated by Cloudinary when it serves an image (it creates an empty `<a>` tag).

It is not caused by my code.

Although I tried, I could not find a way to resolve this issue.

Where Physical Media Reigns

Rewind the Past. Collect the Future.

aria-label="About The Cult Film Club"

Streaming might be convenient, but true film lovers know that films deserve more than temporary access. Physical media guarantees lasting ownership—no licensing disputes, no sudden removals, and no corporations dictating what stays or goes. It ensures superior picture quality, untouched by streaming compression, and preserves films exactly as they were meant to be seen.

At The Cult Film Club, we are more than just an online shop; we are a movement dedicated to keeping cinema alive in tangible form. Our mission is simple: to ensure cult classics, forgotten gems, and underground masterpieces remain in the hands of collectors who appreciate their artistry, history, and cultural impact.

h4

WHY PHYSICAL MEDIA?

With the rise of streaming, countless cult classics have disappeared—bid up in licensing restrictions, stripped from digital libraries, or buried under algorithms that favour mainstream content. At The Cult Film Club, we believe films should be owned, not rented. A true collection stays with you, safe from corporate decisions and digital limitations:

- Uninterrupted access — never worry about your favourite films vanishing overnight.
- The best viewing experience — free from the compression and limitations of streaming.
- Collectable editions — special packaging, remastered versions, and exclusive bonus content you won't find online.
- Full control over your collection — your films, your format, your choice.

aria-label="Why Physical Media?"

h4

WHAT WE OFFER

We curate a selection of essential classics, rare finds, and underground gems that define cult cinema. Whether you're an aficionado or just beginning your journey into offbeat films, our catalogue has something for every collector.

- Curated Selection – DVDs, Blu-rays, and 4K releases handpicked for dedicated film fans.
- Exclusive & Limited Editions – rare collectable items featuring special packaging, remastered editions, and unique bonus content.
- Loyalty Scheme – The Cult Film Club Card lets you earn points and redeem them for exclusive discounts.
- Secure Shopping & Fast Delivery – browse with ease, pay securely, and have your latest cinematic obsession delivered straight to your door.

aria-label="What We Offer"

h4

JOIN THE MOVEMENT

At its core, The Cult Film Club is built on a love of cinema that refuses to conform. Some films are more than just entertainment; they challenge norms, spark debate, and deserve preservation. Physical media ensures these treasures are never lost to the whims of streaming services.

For casual viewers curious about cult cinema, this is your gateway. For seasoned collectors, this is your sanctuary. It's time to take ownership of the films you love.

WELCOME TO THE CULT FILM CLUB — WHERE FILMS FIND THEIR FOREVER HOME.
